TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L.S.)

To the Inhabitants of the Town of Newton in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Newton on Tuesday, the tenth day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear reports of Town Officers and pass any vote relating thereto.
4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.
5. To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's Deed or through Old Age Assistance; or any other property of the Town not used for public purposes.
6. To see if the Town will vote to raise and appropriate the sum of Five Hundred Twenty-five Dollars (\$525.-

00) to purchase an automatic sander for the Highway Department.

7. To see if the Town will vote to raise and appropriate the sum of Eight Hundred Dollars (\$800.00) to construct a fire well near the residence of Ada Fowler.

8. To see if the Town will vote to raise and appropriate the sum of Two Thousand Six Hundred Dollars (\$2,600.00) for lowering and replacing ceiling and repairing and repainting interior of Town Hall as per report of committee appointed in 1958.

9. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) for new lights, switchbox and rewiring the Town Hall if article 8 is accepted.

10. On petition of ten or more legal voters of Newton: To see if the Town will vote to have the Chief of Police elected by ballot at the annual town meeting holden in March, and all other police officers, other than Constables, shall be appointed by the Selectmen.

11. On petition of ten or more legal voters of Newton: To see if the Town will vote to permit the Newton Junction Firemen to construct heating ducts from the furnace in the Fire House into their meeting hall. All costs of construction to be borne by the Newton Junction Firemen's Association. All costs of fuel over and above the existing appropriation from the Town also to be borne by the Association.

12. To see if the Town will vote to raise and appropriate the sum of Four Thousand Five Hundred Dollars (\$4,500.00) to remove and replace the old wooden bridge at entrance to Wilder's Grove with an 84-inch metal culvert. This amount includes grading, and the installation of guard rails.

13. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this eighteenth day of February in the year of our Lord nineteen hundred and fifty-nine.

REPORT OF TOWN MEETING

NEWTON, N. H.

MARCH 12, 1958

The meeting was called to order at 8 p.m. by the moderator, Clifford R. Bryer, who called on the Rev. Wendell J. Irvine to open the meeting with prayer, after which a moment of silent prayer was observed in memory of two former town officers who passed away during the last year, Cecil Kimball and Robert Prescott.

Article 1. Results of the balloting on Tuesday, March 11th, for town officers was read by the moderator.

On motion of John Fenn for the Finance Committee it was voted that all town officers not elected by ballot be appointed by the Board of Selectmen.

A letter of thanks was read from Harold H. Jillson, who resigned as selectman after moving to Kingston.

Article 2. John Fenn for the Finance Committee moved the acceptance of the list of estimated expenditures for the ensuing year 1958, appearing on page 11 of the 1957 Town Report, (excluding the item of School Taxes) as the Town Budget for the year 1958; and moved the raising and appropriation of an amount necessary to cover the same. The motion was seconded, and it was a vote.

Article 3. John Fenn made a motion that the reports of the Town Officers be accepted as printed in the Town Report. It was a vote.

Article 4. On motion of Wallace Nyberg it was voted that the Town authorize the Selectmen to hire money in anticipation of taxes.

Article 5. W. Nyberg made a motion that this article to authorize the Selectmen to sell property acquired by Tax Collector's Deed or through Old Age Assistance; or any other property of the Town not used for public purposes, be accepted, and it was a vote.

Article 6. On motion of Lloyd Ingalls it was voted that the Town raise the Fire Chief's salary from \$50. to \$100. annually, and appropriate money for the same.

Article 7. Gordon Cheney made a substitute motion for the original article — to see if the Town will vote to raise and appropriate a sum not to exceed \$275. to heat the Newton Junction Fire Station, said amount to be included annually in the Fire Dept. budget for the purpose. It was so voted.

Article 8. On motion of Kenneth Field it was voted to accept the 1947 Ford 1000-gallon tank truck from the Newton Volunteer Firemen. Mr. Field also expressed public appreciation for the assistance given the Newton Volunteer Firemen by the Sireens, and the members of the N. V. F.

Article 9. On motion of Leo H. Storey it was voted that the Town accept the 1948 Chevrolet 750-gallon tank truck from the Newton Junction Firemen's Association. The moderator made a motion that a vote of thanks be given the N. J. F. Asso. for their good works, and it was a vote.

Article 10. A motion was made by the Finance Committee that the Town raise and appropriate not more than \$5750. to provide for the Town's share of reconstruction of the bridge at Wilder's Grove, by the State Highway Dept. according to plans submitted by said State Highway Dept. and that the Selectmen be hereby instructed to apply for Town Bridge State Aid for assistance under R. S. A. 242: 10 or other applicable statutes. A letter was read from the P. W. D. of Concord. After quite a bit of discussion the motion was put to vote and was lost.

Article 11. Harry Merrifield made a motion that the Town accept the report of the special committee on page 73, appointed by the moderator at the last town meeting, and raise and appropriate the sum of \$1,200. to carry out the same. Mr. Carl Shaw showed a map of the cemetery and explained the proposed plans for developing and improving the cemetery. It was a vote.

Article 12. On motion of Harry Merrifield it was voted to establish a Trust Fund to be known as the Highland Cemetery Fund, to be created by the sales of all future graves or lots in the said cemetery, the interest accruing thereon to be used for the care and improvement of this named cemetery.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$850. to bulldoze town-owned land between the end of Country Pond Road and land of the Haverhill Boys' Club in order to provide a parking area; and also to widen the Beach to the width of town-owned land. Lloyd Ingalls moved to accept the article as printed and the motion was seconded. After discussion by several voters, and remarks by representatives of the Haverhill Boys' Club, Mr. Wysocki and Mr. Brisson, who pointed out legal pitfalls in regard to this motion, and because there seemed to be questions about the legal boundaries of town-owned land.

Kenneth Field moved as an amendment to the main motion on article 13 that the Selectmen act as a committee of three, or appoint a committee of three to act with the town counsel to determine legality of action proposed under article 13, and to proceed to establish true and definite boundaries in said location, a sum to be appropriated not to exceed \$850. to start this action. This was a vote.

Kenneth Field, William J. Moisan Jr., and Norman Crepeau were appointed.

Article 14. On motion of Mr. Fenn it was voted that the Selectmen appoint a committee of three to obtain estimates for lowering and replacing ceiling and repairing and repainting interior of Town Hall. Estimates to be in the form of an article for next year's Town Warrant. Lincoln Walker, Chairman, Robert Hinchcliffe and George Spinney were appointed.

Article 15. The moderator made the following appointments: Henry Kinkler to take the place of Herbert Wilbur, who resigned from the Finance Committee and J. Gardner

Kimball and Glenroy Colby reappointed for three years on the Board of Adjustments.

It was voted that the Town authorize the Selectmen to dispose of the old Reo fire truck at their discretion.

The meeting was adjourned at 9:50 p.m.

REPORT OF THE GALE LIBRARY TRUSTEES

During this busy time of the year, we pause to consider the problems and achievements of the past year.

As usual, the demands of the high school students for reference and reading books has increased. As there are four high schools involved, all with different reading lists and with different reference requests, a basic list had to be made, and books from that list were purchased to help the students. Our students are using the facilities of the library more and more, the nonfiction section, the reference shelves, the study tables, and the librarian.

The young scholars nearby, the third and fourth grades, have shown an interest in scientific and geographical books. We added several current science books on that level as well as the excellent Landmark books for them.

Our older readers have been in asking for popular novels, historical novels, and recent nonfictions. Naturally, we were happy to provide these.

Due to the increased work load of the librarian, and the extra hours involved, the Trustees voted to increase the salary of the librarian from the present one of \$3.00 per library day to \$5.00 per day. This raises the salary to the level of the basic minimum salary for librarians in New Hampshire.

As is the case with everything else, book prices have risen. A few years back, a popular novel would cost from \$2.50 to \$2.75; today the price would more likely be \$3.50-\$3.75. Nonfiction books, which are very popular in Newton, have gone up from \$3.25 to \$5.00, depending on quality.

The Library Budget is based upon: Purchase of New Books, Salary of Librarian, Library Supplies, and Operating Expenses, which includes items such as Janitor Service, Heat and Light.

From these problems, we go to the pleasant side of library activities. At the November Meeting of the PTA at the Memorial School, our Mrs. Ella Yates spoke to the members of your town library, acquainting them with the history and problems of the Gale Library.

The Kingston-Newton Garden Club has done wonderfully in providing exhibits during the year, attracting many favorable comments.

We wish to extend our thanks to those who graciously donated books and magazines to the library.

May we round off this report with our usual invitation to visit your library some Wednesday and enjoy the new and old books.

POLICE CHIEF'S REPORT

To the Board of Selectmen

Newton, N. H.

Gentlemen:

The Chief of Police of Newton does submit herewith his report of actions of the Police Department for the year ending, December 31, 1958. The number of motor vehicle violations in Newton, as in other towns, is a constant threat to life and property. This is one objective we must work on constantly to protect our children and citizens. Every year more and more persons are licensed to drive and every year this job needs more attention. Our juvenile problem is lessening, instead of increasing as it is in our neighboring communities. We, in Newton, do not have juvenile delinquents, we do, however have juveniles, and, I believe, if we cooperate with them, by helping them in groups and organizations, we will have fine men and women, in the future. The Hallowe'en party, held each year, at the Newton pavilion, for the town children, is made possible by the generosity of the manager, Frank Crowell and the owner of the rink, Leo Finen. The Police Department also appreciates the contributions and donations from town merchants and individuals, for this party.

THE STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the Inhabitants of the School District in the Town of Newton qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 19th day of March, 1959, at six o'clock in the afternoon, to act upon the following subjects:

1. To choose all necessary School District Officers for the year ensuing.

2. To hear the reports of Agents, Auditors and Committees, or Officers chosen and pass any vote relating thereto.

3. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

4. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, local or private agencies.

5. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriations of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

6. To see if the district will vote to construct and equip

a one-room addition to the Memorial School; to authorize the school board to execute any and all contracts or agreements necessary and proper or advisable in connection with the construction and equipping of an addition and authorize the school board to issue bonds or notes in an amount not to exceed eighteen thousand dollars (\$18,000) payable from funds to be raised by taxation for the purpose of financing such construction.

7. To see if the district will vote to raise and appropriate \$247.50 to pay the first interest payment on the bond issue for the addition.

8. To see if the district will vote to add the services of a Union Art Supervisor. This position would not start until September 1960 and no money will be raised at this time for it. This service and expense will be shared with three other towns in Union No. 55.

9. To see if the district will vote to add the services of a Union Remedial Reading Teacher. This position would not start until September 1960 and no money will be raised at this time for it. The service and expense will be shared with three other towns in Union No. 55.

10. To see if the district will vote to add the services of a Union Teacher of Special Education. This position would not start until September 1960 and no money will be raised at this time for it. The service and expense will be shared with three other towns in Union No. 55.

11. To see what sum the district will vote to raise and appropriate for the purpose of assisting the Parent-Teacher Association in carrying on the School Lunch Program.

12. To transact any further business that may legally come before the meeting.

Given under our hands at said Newton this fourteenth day of February, 1959.

The Polls will be open to vote for District Officers from 6:00 to 8:00 p.m.

The other articles of the warrant will be taken up at 8:00 o'clock.

Records of Annual School Meeting of the School District of the Town of Newton, March 20, 1958

The meeting was opened for balloting at 6:00 P.M. by the Moderator, Ella M. Yates. The polls were closed at 8:00 P.M. and the business meeting was opened at 8:40 P.M. with the invocation offered by Rev. Elmer E. Young of the Baptist Churches.

Article 1: The following officers were elected by Australian Ballot and sworn in by Town Clerk: Moderator, John A. Fenn; Clerk, Barbara R. Morse; Treasurer, Otis R. Rowell; School Board Member for three years, Curtis S. Bates; Auditors, Everett E. Coombs and Everett O. Kelly. There were 76 Ballots cast.

Article 2: "To hear the reports of Agents, Auditors, and Committees, or officers chosen, and pass any vote relating thereto." On motion by Curtis S. Bates the reports were accepted as printed in the Town Report.

Article 3: On motion by Carl F. Shaw it was voted to defer this article to the end of the meeting.

Article 4: On motion by Everett E. Coombs, for the Finance Committee "the School Board was authorized to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, or private agencies."

At this point Mr. Fenn appointed Clifford R. Bryer as temporary Moderator, and he was duly sworn in.

Article 5: Mr. Fenn, for the Finance Committee, moved that action on Article 5 be deferred until after final action on Article 6. After discussion, and by a hand vote, the motion was not carried.

Mr. Bates moved that the budget be accepted as presented in the Town Report.

Mr. Fenn, for the Finance Committee, moved to amend this motion to read "that the budget be accepted as presented in the Town Report with the exception of the Teacher's Salary Raise in Item 6, which shall be separately voted upon; and with the exception of the list of sub-items pertaining to the operation of an additional classroom totaling \$4,013.23 as specified in detail herewith, which shall also be separately voted upon as a list."

From Budget Item 6: Additional Teacher's Salary	\$3,300.00
From Budget Item 19: Additional Teacher's Retirement & S. S.	241.23
From Budget Item 10: Encyclopedia	115.00
From Budget Item 13: Light Service	50.00
From Budget Item 13a: Custodial Supplies	65.00
From Budget Item 23: Desk, Chair, Table, Maps, Globe	242.00
	<hr/>
	\$4,013.23

Ellery Atwood added to the amendment Item 7, Books and other Instr. Aids, and Item 14, Repairs and Replacements.

By hand vote, this amendment and its addition was not carried. The main motion by Mr. Bates was then adopted.

Article 6: On motion by John A. Fenn it was voted that the school board be authorized to spend not more than \$2,100.00 to partition an additional classroom at the Newton Memorial School.

Mr. Fenn then resumed his place as Moderator.

Article 7: On motion by John F. Swasey, it was voted "that the district adopt as its School Check-list, the Town Check-list, as provided in R.S.A. 197; 12a, as inserted by Laws of 1957, chapter 57; this provision to be effective for the 1959 and subsequent annual district meetings."

Article 8: Motion by Ellery Atwood "that this Article be passed over until next year, was not carried. Curtis Bates then moved "that the District appropriate \$1,000.00 to gravel an area for parking and a truck entrance to the kitchen door from the rear of the Memorial School." After considerable discussion, the motion was adopted.

Article 9: Motion by Curtis Bates, "That the district appropriate \$1,130.00 for the purpose of assisting the Parent-Teacher Association in carrying on the School Lunch Program." An amendment by Ellery Atwood "to increase the appropriation to \$2,200.00" was not carried. It was then voted to adopt the original motion by Mr. Bates.

Article 10: There being no further business to come before the meeting there was no action under this article.

Article 3: The Moderator stated no action was required under this article; and there was none.

On motion by Curtis Bates it was voted to adjourn at 9:35 P.M.

BUDGET WORK SHEET

This is a presentation of the budget work sheet upon which your school board is operating during the 1958-59 school year, and their proposed expenses for the year 1959-60. It must be taken into consideration that monies appropriated in the month of March, to be used the following year do not necessarily correspond in individual items because of the impossibility of projecting the rising price indexes twelve months hence.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

January 30, 1959

To the School Board and Citizens of Newton:

I am presenting herewith my Third Annual Report as Superintendent of Schools in Newton. This report is written under the main headings: Teaching Personnel, Housing, Bonded Indebtedness and Borrowing Capacity, Transportation, Curriculum, School Activities and Community Organization. Statistical reports will follow the general report.

TEACHERS

Two replacements and one additional teacher were new to their respective positions in September. Mrs. Barbara Morse, a graduate of the University of New Hampshire was employed to teach in Grades 6 and 7 at the Memorial School. Mrs. Eleanor Hickey, a graduate of Merrimack College, with one year's experience, began the year as an additional teacher in grade 5 at the Memorial School. She has since been replaced by Mrs. Adeline Bowen, a graduate of the University of New Hampshire with fourteen years experience. Mrs. Bowen has taught previously in Newton. Mrs. Mary Kelley, a graduate of Wheaton College in Illinois, with one year's experience, was hired to teach grade 2 at the Rowe's Corner School.

All teachers have continued membership in local, state and national professional teachers' organizations and have attempted to keep abreast of modern practices by attendance at local and state teachers' meetings and by taking courses when possible.

Although teachers' salaries in Newton have increased, we are noticeably under the New Hampshire average for elementary teachers and New Hampshire is substantially

below the national average paid all teachers. To further complicate matters, the prevailing wage for teacher college graduates this coming year will be about \$3,800. In addition, the Massachusetts State Legislature passed, as of November 1, 1958, a minimum salary law for all beginning teachers, of \$3,600 — which affects all towns bordering Massachusetts. I strongly urge the citizens of Newton to support a good salary schedule if they want fully qualified teachers who are the backbone of any school system.

HOUSING

Newton needs one additional room so that there will be one room available for each of the eight grades. This will eliminate double grades and will do more to improve instruction than any other step that could be taken. The enrollment warrants this move. In January 1958 Newton elementary schools had an enrollment of 211. The enrollment in September 1958 was 221. The enrollment for September 1959 is expected to be 235. This means an average class size of 29-30 — which makes a very acceptable situation. If we have larger class sizes and double grades our children will not get the individual attention so necessary.

This past year the townspeople very wisely voted to complete the third room at the Memorial School. This permitted single grades in the first five grades. However, the last three grades have been double grades this year and close to 40 pupils in each room. Next year this arrangement will be impossible because there would be 45 each in the combined 6-7 and 7-8 grades. This means going back to more double grades which we are attempting to avoid.

The townspeople should think seriously of either adding one more room on the Memorial School, financed by a bond issue or to consider renovating one room, if available somewhere in town. It is my belief that our school population will continue to grow. Newton will lose the smallest class next year — the present eighth grade — which numbers 16. No possible more-ins have been considered in the projected enrollment figures.

Your school board has continued to maintain and improve the physical conditions of the building. Important improvements made since the last report have included the addition of the third room at the Memorial School, replacement of desks at the Village School, interior painting and plastering at the Village School and gravelling at the Memorial School.

BONDED INDEBTEDNESS AND BORROWING CAPACITY

According to New Hampshire State Law, a school district may borrow up to 4% of the assessed valuation as equalized; by special permission of a State Legislative Committee, the district may borrow up to 6%. The Newton School District has an assessed valuation as equalized of \$2,805,118 as of 1956. The 1958 figures have not yet been released. The present indebtedness of the district is \$36,000, which would mean that the present net borrowing capacity of the district, as of March 1958, is \$76,204.72 at the 4% rate and \$132,307.08 at the 6% rate.

TRANSPORTATION

The transportation problem has been alleviated tremendously by the addition of a new 60-passenger bus. This will increase the cost to the district, but the improved service and the increased enrollment warrants this expenditure.

CURRICULUM

The courses of study and the textbooks used meet the highest standards. Emphasis has been placed on reading, and a complete testing program under the guidance of Robert Dolph, Helping Teacher, is in operation. Mr. Dolph acts as a consultant in the area of retardation and maladjustment. Reading, which is the basis for all subjects, can be materially helped if adequate class size can be maintained.

Mr. Dolph and your Superintendent have met each month with the principals and head-teachers in the Union

to discuss important trends in education and to give all an opportunity to exchange valuable ideas and techniques.

Many school districts have subscribed to Educational Television this past year, which is becoming more popular. In addition to Channel 2 in Boston, Channel 11 in Durham, New Hampshire will operate during the year 1959. Two of the school districts in this Union took part in the educational series broadcast out of Channel 2 at 9:30 and 11:00 each school day morning. These programs on music, literature, social studies and science help supplement the regular classroom work. Each subject was assigned to a different grade, once a week. The cost of adopting this type of program includes one television set for each school, plus installation costs and a 50c charge per pupil. Study guides are provided for each subject. At this writing it is understood that the Parent Teacher Association will finance a television set for the Memorial School for next year. Special thanks to them for their generosity and interest.

A summer school program was carried out last year under the guidance of Mr. Dolph, and proved successful. It may be continued this coming summer if parents are interested.

Placed before the citizens of Newton at the District Meeting will be warrant articles pertaining to remedial reading, special education and art supervision on a Union basis. These people would be available for the towns of Plaistow, Hampstead, Atkinson and Newton, prorated as to time and cost. If you feel the education of your children will be improved you should add these services. No money will be raised at this time. No new Union service can be added without first getting a District vote one year prior to the addition.

People generally in the United States are becoming concerned about education. It is a healthy situation. I believe the United States has the best educational system in the world and I hope that we may in each community strive for an improved system that will produce intelligent and understanding leadership.

REPORT OF THE ROWE'S CORNER SCHOOL —

ALICE KNOWLES, Head-Teacher

The children at Rowe's Corner School have participated in the usual community service activities and observed the usual special holidays and programs. The children particularly enjoy and benefit considerably from the use of film-strips and other audio-visual tools. The school savings program is very well supported. Many local field trips were enjoyed and the trip to Benson's Wild Animal Farm was a real adventure. The lunch program in Newton continues to operate most successfully under the direction of Mrs. Marion Hatch, assisted by Mrs. Dorothy Towell. The food is prepared at the Memorial School and transported by Mr. Clarence B. Green to the Village and Rowe's Corner Schools. The schools are very appreciative of the women who assist with the serving on a voluntary basis. The Bookmobile makes regular visits to all the Newton Schools and supplements the school library books.

REPORT OF THE VILLAGE SCHOOL —

EDNA BOYD, Head-Teacher

The establishing of single grades, with an approximate enrollment of thirty in each room has an outstanding forward step this year. Providing adequate bus transportation so that children arrive later in the morning, and leave soon after the closing of school in the afternoon, has also been a decided improvement in our educational program.

The children at the Village School have participated in the Savings Stamp Program, Junior Red Cross and have contributed to the Crotched Mountain Fund, the Polio Fund and the sale of Easter seals for crippled children. All Newton children eagerly participate in these programs. Field trips have included a pheasant farm in Brentwood, a fire-lookout in Kingston, old town cemetery, etc. Due to the central location of the Village School, the students are able to visit the Town library each week .

REPORT OF THE MEMORIAL SCHOOL —

MARION KALASHIAN, Principal

Inter-scholastic athletic activities were centered around baseball once again this year. With the help of Robert Rowe, an interested parent and former school board member, serving as coach, the boys had a very successful season. Early in June, grades 5-8 enjoyed a very fine field trip to Boston, which included the Iron Works at Saugus, Massachusetts, the Children's Museum and the Gardner Museum in Boston and climaxed by a ball game at Fenway park later in the day.

Class Day is always looked forward to with great anticipation. The thoughtfulness of our Parent Teacher Association in presenting the graduates with fifty dollars to defray expenses is greatly appreciated. This year the group spent the day at Canobie Lake and then had dinner at Salisbury beach. A record class of 23 graduated from the Memorial School in June when the theme was "The Wealth of America." Jean Pottie was awarded the good citizenship medal. Of the 23 graduates, nine are enrolled at Sanborn, four at Amesbury, three at Haverhill, two at the Pentucket Regional, two at Haverhill Trade, one at Durham and one at Lowell.

Continued interest in the purchase of savings stamps is very gratifying. Many children, through their systematic savings, have converted completed stamp books into bonds.

The Junior Garden Club, sponsored by the Kingston-Newton Garden Club, has had a very successful year under the leadership of Mrs. Gordon Cheney. The junior award which is annually awarded by the New Hampshire Federation of Garden Clubs for the best scrapbook on gardening submitted to the organization, was won by the Newton group.

In observation of American Education Week, Thursday, November 13th, was designated as Visit Your School Day in Newton. Parents were invited to visit schools to see the

educational environment of the children and to become better acquainted with our work. Parent response was excellent for they visited all three schools in large numbers.

REPORT OF THE SCHOOL NURSE-TEACHER —

GWENDOLYN BANKS

Dr. Harris examined 93 Newton children in September of this year — finding 28 defects which were covered by the usual follow-up program. Each year the students in grades 1, 4 and 8 — together with all children new to the system — are examined.

All students in Newton received a hearing and a vision test with the usual follow-up work with the cooperation of parents, school and organizations. This year we have a new Audiometer for the hearing tests and through the generosity of the Lions Club, we have a new Vision Tester available. The usual work in color perception, charts of height and weight for each child, home visits, health films, pre-school registrations and visits to clinics has continued during the past year.

REPORT OF THE VOCAL MUSIC PROGRAM —

ANNE TREADWAY, Supervisor

In the first two grades music classes include singing, listening, rhythmic activities and simple dramatic portrayals of the stories and moods found in the songs. The main emphasis at this grade level is on enjoyment and the development of a sense of rhythm and a sense of pitch. From the third through the sixth grades, note-reading and technical learning are added to the basic program of singing and listening. The emphasis shifts in junior high from development of skills to understanding and appreciation of many forms and types of music. Recordings of orchestra pieces are played and discussed; songs from many countries are sung and the technical foundation is reviewed. The Glee Club at Newton was newly formed this fall and was unable to prepare a program for Christmas. They will sing in February, however, for an adult group, and may possibly sing

again at a later date. The entire junior high will present the music for graduation this year.

REPORT OF THE INSTRUMENTAL MUSIC PROGRAM — CALVIN SCHRAGA, Supervisor

Our aim has been to produce an instrumental program leading to an advanced and beginners band in Newton. Newton had a fairly good response to demonstrations which were given in an effort to stimulate growth in the program. At the present time Newton has 5 students from grades 4-8 enrolled in the Beginners Program and 7 students in the advanced Band group. We have made considerable progress by having a monthly combined meeting of the four towns which gives the youngsters of the smaller schools an opportunity to participate as a band. The reaction of the students to this program was wonderful. If this could be made a weekly procedure, I am convinced this would foster the growth of the program in our smaller schools.

COMMUNITY ORGANIZATIONS

The Parent Teacher Association deserves much commendation for its positive support of the school program and for continuing the Federally Aided School Lunch Program for the children. Appreciation is also expressed to the Garden Club, the Band parents, the Lions Club and other civic groups for their continued support.

I wish to thank the School Board, teachers and children for their cooperation in making our work successful.

Respectfully submitted,

WENDELL V. DAVIS,

Superintendent of Schools.
